The source used to compile this index was "Washington County Virginia DEED BOOK 2, 1797-1802,"

Indexed Deed Book page numbers are the actual page numbers in the original Deed Book.

Underlined page numbers are for Grantees and Grantors. Adjacent neighbors or witnesses (if given) and who applied for previous land grants or patents (if given) are also indexed.

Some surnames appear more than once on the same deed book page(s).

There may be more than one deed on the same page that has a Grantee or Grantor with the same surname.

There are various spellings of surnames, thus all variations such as McKEWAN & McQUOWN should be checked.
